Section 8 — Volunteer Observation

8.1. What is your opinion about the student, their family members, and their living condition?

The student's house condition is not very good. Both the father and mother are working. The father owns a tailoring shop, which is the family's main source of income. The student has already joined a govt. college, and the fee is below ₹ 2,000 per semester. Based on our observation, the family should be able to manage the expenses or repay an education loan if needed. We feel this scholarship would be more beneficial to a student from a more financially needy family with higher college fees.

8.2. Will you recommend this student for this scholarship?

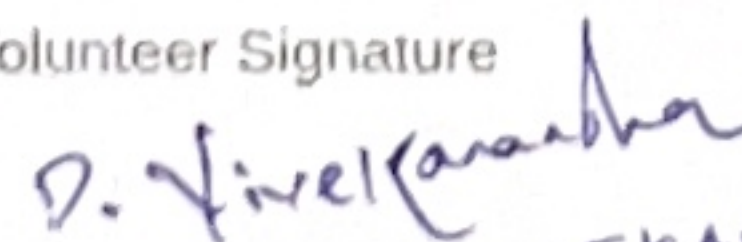

☐ Yes ☐ No ☒ Not Sure

8.3. Any other comments you want to share?
